

# Earth Day Challenge

Name: \_\_\_\_\_

Date: \_\_\_\_\_

Tick each task as you achieve it. Good luck!

How many can you do? Can you do them all?

- Clean up a beach or an area of your town
- Take some items that you no longer use to the second hand shop
- Encourage others to do something for Earth Day
- Pull out some weeds and show some native plants love
- Decide on a change that your family could make to save energy or waste
- Tell someone about how important it is to plant native trees for biodiversity
- Research what can be recycled in your area and check that your recyclables are in the correct bin
- Spot a native bird and learn something about it
- Go on a bush walk and/or nature scavenger hunt. There are lots on our website! [www.kidsgreeningtaupo.org.nz](http://www.kidsgreeningtaupo.org.nz)
- Bike or walk somewhere instead of driving
