

# EXPLORING OUR NATIVE FOREST CHALLENGE

Collect a big rangiora leaf to write a note on

Take a photo of a koru

Spot a bug hole and figure out what made it!

Have a photo with a giant of the forest

Find an interesting bug to take a photo of

Check out a trap (look, but don't touch!)

Find a hollow tree or log and look inside!

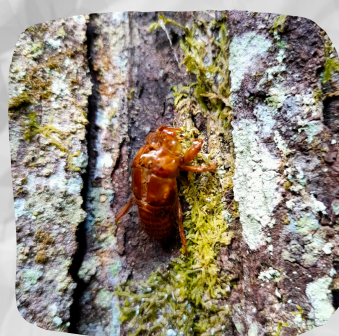

Walk along a log and balance carefully!

Take a photo of interesting fungi

Find some lichen

Collect a natural taonga (remember to respect our ngahere)

Find a perfect mahoe skeleton leaf
